

Passion and Life Purpose Destiny For Professional and Personal Success To Succeed in Sync With Your SoulSM

by Sasha Sabbeth

The Magical, Successful Life Of Passion and Purpose

I believe that we all have a deep seated memory that whispers within us telling us why we were born and what we came into life to experience. I perceive this resounding, embedded echo to be the voice of our Soul guiding us to live our Life Purpose Destiny through living of one's passions and heeding our intuition.

Why Bother?

Why bother knowing your Life Purpose Destiny? Why bother identifying and living your passions? Do you think that having a life filled with joy and meaning improves your health, relationships, self image, spirituality, intuitive capacities, creativity, and, perhaps, your income? Yes! Do you think that giving up on your dreams steals your joy, inspiration, success, vitality, and positive approach to life? Yes! The chaos and problems of our current

world suggests that we each find our own truth, source of joy, and ways to feel inner peace. When we get in touch with our passions and understand what really matters to us, it is easier to handle the challenges of life.

Creating a life to Succeed In Sync With Your SoulSM guarantees an approach to living that will help you unleash a greater happiness to being alive. Additionally, one of the greatest healing potions is the energy generated from enjoying and being grateful

for our own lives. Being immersed in such an energy can uplift you and those whose lives you touch. Today, more than ever, having

a life in alignment with your Life Purpose Destiny and Passions is critical to having a life of meaning, fulfillment, sanity, and success. It is key to having a life that matters. It is necessary so that one may have an energy field that broadcasts the YOU that you want to be so that you may have the life of your dreams.

Living One's Passions

A guide to living a passion filled life:

Step 1: Discover what really matters most to you.

Your passions are what you hunger to do, to be and to have as you create your life masterpiece.

Step 2: Consistently choose in favor of your passions.

Whenever faced with decisions, opportunities, and choices, select the direction that honors your top passions. Find ways to further amplify your passions and that which you are passionate about both at work and in your personal life.

Step 3: Design a roadmap of goals and actions to fulfill your passions.

This is a path consisting of your identified experiences and time frames that, once accomplished, feed back to you whether or not you are living your passions to maximum fulfillment.

Step 4: Develop a toolkit of self management skills and education

take to arrive at our chosen destinations, and areas to grow. Sometimes it is necessary to heal, train, and transform

ourselves so that we can better achieve our objectives. Those are those times when we realize what it takes to be the YOU that you need to be to have what you want. Rather than become stopped in your tracks, find the resources that will keep you in motion towards fulfilling your passions and your ideal life.

In Conclusion

May you step into your summer and complete 2008 prepared, poised, and organized to launch your passions with even more infectious inspiration and excitement! May your Soul Force blaze forth to light up the lives you touch as you bring transformative inspiration to your world.
