~ Light Leader Power For Success And Mission Impact ~ Day #1 - Energy

1. Journal about your experiences of being impacted by other peoples' energies in the form of their moods. This does not mean the content of their words or even their actions. The focus in this question is purely from an energy impact perspective: describe how you have been affected by other peoples' energetic broadcasts. Please choose a situation when you were in the presence of someone who was broadcasting that they were in a 'positive' frame of mind. Choose a second scenario when you were in the presence of someone who was broadcasting that they were in a 'negative' frame of mind.
